Honorable Laurie J. Michelson

Magistrate Judge Elizabeth A.

ORDER REGARDING DETERMINATION OF MOTION

On February 7, 2025, Plaintiff filed a Motion for summary judgment (ECF No. 54). The motion is under review by the Court. The response brief and any reply brief shall be filed in accordance with the time limits set forth in E.D. Mich. LR 7.1(e). The Court has discretion to decide the motion on the briefs. *See* Fed. R. Civ. P. 78(b); E.D. Mich. LR 7.1(f). If, upon review of the briefing, the Court finds that oral argument would aid in resolving the disputed issues, a notice will be filed on the docket setting a hearing.

Until such time, counsel are directed to review the Case Management Requirements. As a reminder, all briefs (opening motions, responses, and replies) must append the Brief Format Certification Form (<http://www.mied.uscourts.gov/pdffiles/MichelsonBriefCertificationForm.docx>). Failure to append the Brief Certification Form will result in any brief being stricken.
